React

- Pastor Derek described how we relate to our possessions and money as a spiritual choice and not a private act. How comfortable are you hearing that? Why?
- Fear and greed were introduced as two consequences of materialism. Where have you seen examples of that in our culture?

Read

Read Deuteronomy 8.

- What do you think Israel's attitude toward wealth was when they were a nation of slaves? How do you think it changed when they became free but nomadic? How would you expect their attitudes to change when they became property owners in a fertile land?
- Where did Moses tell the people to focus their hearts?
